

FREE-TIME ACTIVITIES IN BATUMI

MTIRALA NATIONAL PARK

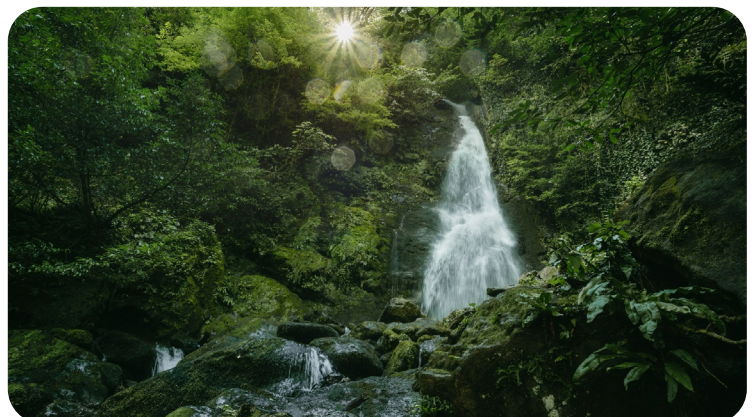

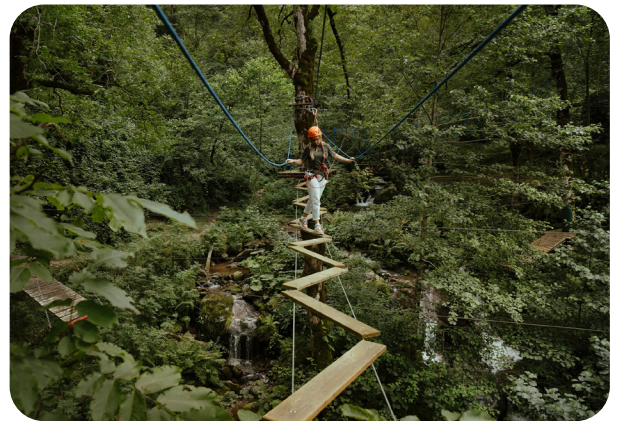

RAINFOREST HIKING

Mtirala National Park, located in the Adjara region near the Black Sea, is one of Georgia's wettest and greenest areas, known for its dense Colchic rainforest and misty atmosphere.

The park is about **25–30 km from Batumi** (around 1–1.5 hours by car) and offers scenic hiking trails with waterfalls, rivers, and panoramic viewpoints, ranging from easy walks to more challenging routes. Easily reached from Batumi, it's a perfect destination for nature lovers.

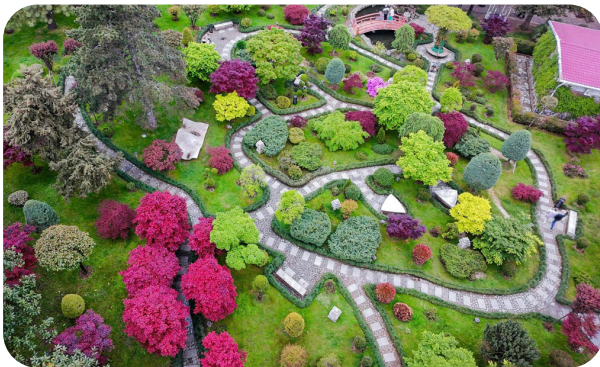

BOTANICAL GARDEN

The Batumi Botanical Garden is one of the largest and most beautiful botanical gardens in the region. It was founded in 1912 and contains thousands of plant species from all over the world. The garden is especially unique because it is located between the mountains and the Black Sea, creating a special climate where many different plants can grow. Visitors can explore various sections with plants from Asia, Europe, and America while enjoying amazing views of the sea.

The garden is located about 9 km north of the city of Batumi, in an area called Green Cape (Mtsvane Kontskhi). It is easy to reach by car, bus, or taxi, and it takes about **15–20 minutes from the city center**. This place is perfect for relaxing, walking, and enjoying nature.

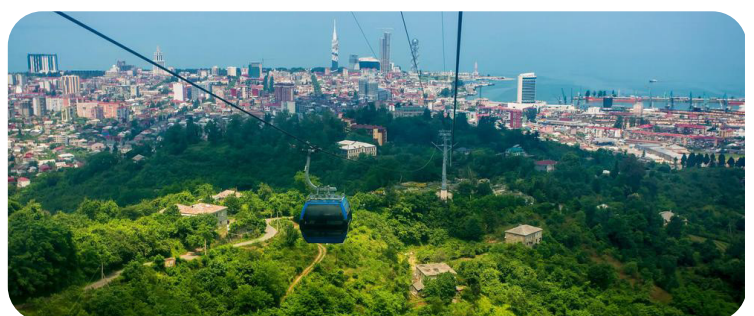

ARGO CABLE CAR

The Argo Cable Car is one of the most popular attractions in Batumi. It offers a scenic ride in glass cabins from the city center up to Anuria Mountain, about 250 meters above sea level. The journey is around 2.5 km long and takes 10–15 minutes, giving breathtaking views of the city, the Black Sea, and surrounding mountains.

At the top, visitors can enjoy an observation deck, café, and entertainment area with panoramic views.

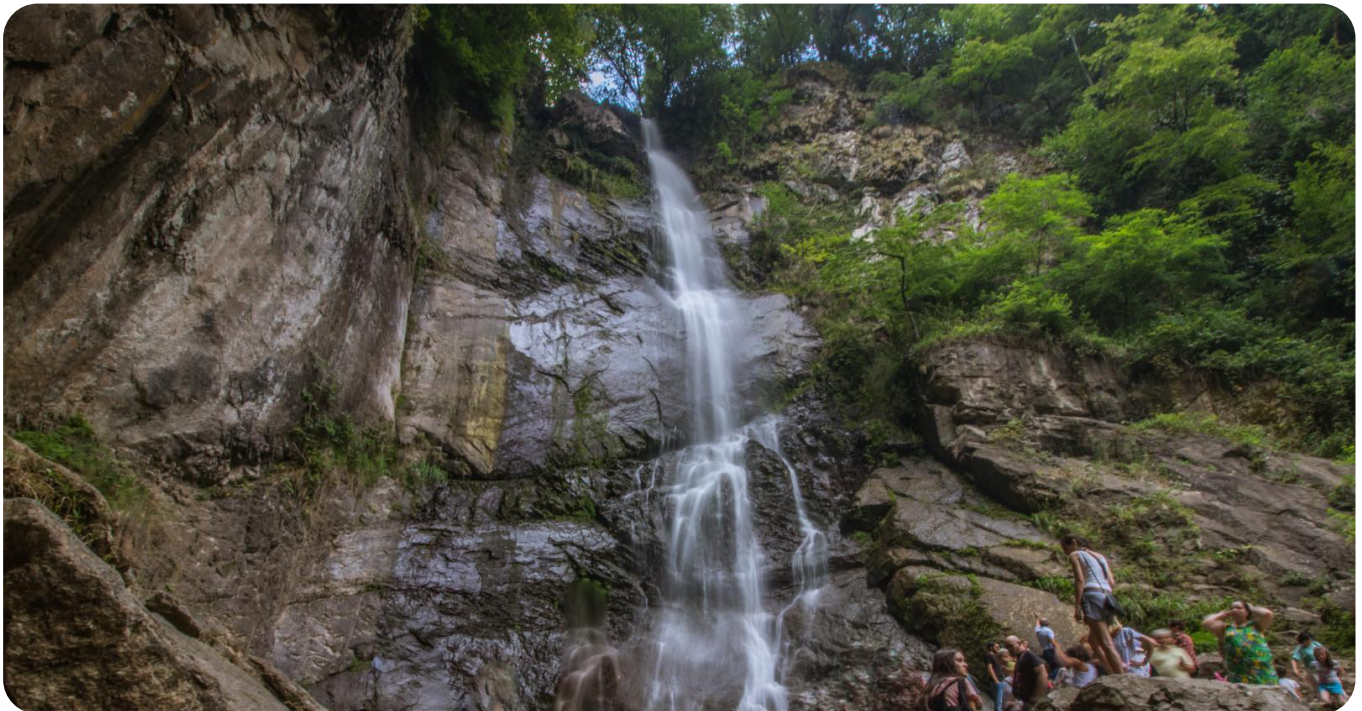

ADJARA MOUNTAINS RAFTING

Rafting in the Adjara Mountains is an exciting outdoor activity that takes place on rivers such as the Adjaristskali River and Machakhela River. Surrounded by beautiful mountains, forests, and waterfalls, it offers both adventure and amazing scenery.

The rafting routes are suitable for beginners as well as more experienced visitors. Trips are guided by professional instructors, and all necessary safety equipment.

Rafting usually takes place in mountainous areas about 15–50 km from Batumi, with a popular starting point near Makhuntseti, close to waterfalls and historical sites. The journey typically lasts from 20 minutes to 2 hours and can cover around 6–7 km of river.

KAYAKING ALONG BATUMI BEACH

Kayaking along the beach in Batumi is a fun and relaxing way to explore the coast of the Black Sea. You can paddle along the shoreline while enjoying views of the city skyline, mountains, and famous landmarks like Ali and Nino Statue. Kayaks are available for rent at Batumi Beach and near Batumi Boulevard, during the summer season.

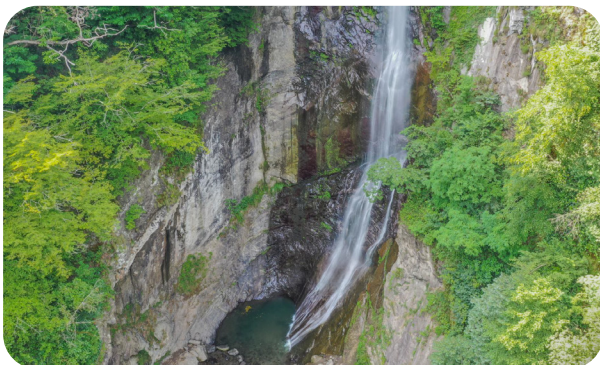

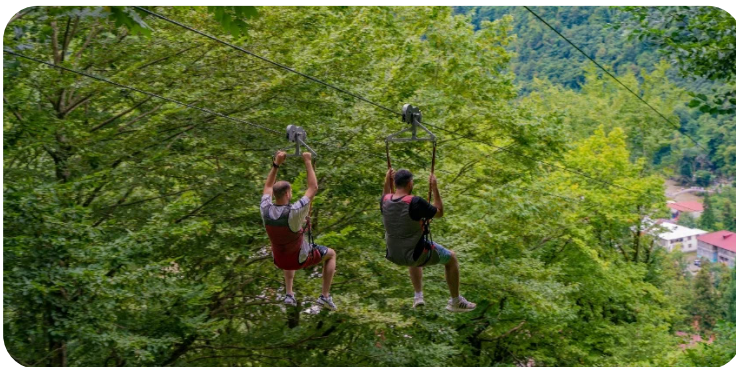

MAKHUNTSETI-ZIPLINE

The Makhuntseti zipline is one of the most exciting outdoor activities near Batumi, located about **30–40 minutes away** in the mountains of Adjara. Set close to the beautiful Makhuntseti Waterfall, this zipline offers a thrilling ride of over 500 meters, reaching heights of around 100 meters above the river below.

As you glide across, you pass over lush green forests and flowing water, with incredible views of the historic Queen Tamar Bridge nearby. The experience combines both adrenaline and stunning natural scenery, making it a perfect activity for adventure lovers.

BATUMI DOLPHINARIUM

The Batumi Dolphinarium is one of the most popular family attractions in Batumi. Visitors can watch exciting dolphin shows featuring jumps, dances, and tricks performed with professional trainers. The shows last about 30–40 minutes and are presented in Georgian and English.

The dolphinarium also offers interactive experiences, including the chance to swim with dolphins.
